Yea for Us - Vision Screening and Membership Ratings

We learned at last month's Council of Governors Meeting that MD27 is rated number 8 in the number of students being vision screened in Constitution Area One.

With the increased membership in the state of Wisconsin, MD27 is on course to become the 4th largest district in Constitution area 1 for total membership, passing Pennsylvania. Keep up the good work finding new members and remember International new member dues are waved until June 30.

Earth Day

Has your Club set an event for Earth Day April 22? Please consider planting a tree as a service project.

State Convention Delegation

With the MD27 State Convention coming up, make sure your Club gets your delegate cards in by the due date, and make sure that if your Club has members going to the Convention, that the Club does not owe funds to Lions International. The Club should check in MyLion under the club, under accounts. If money is owed, your club's delegates cannot vote.

WI Missions **Reaching Out to Tornado Victims in KY**

MD27 is embarking on an effort to assist the people from Mayfield, KY who were victims of the horrific tornadoes that struck there last Dec. 10th. We are hoping to make this first trip to Kentucky at the end of April so time is an issue.

Sincerely,

District Governor Robert Gosewehr
